All Lap Lanes will be closed for swim meets. Swim meet schedule can be viewed on the Aquatics Homepage.

LAP SWIM: Lap lanes are available to all members at this time. All swimmers 14 years and under who wish to participate in lap swim must complete a 25-yard continuous swim using one or a combination of the 4 approved strokes (front crawl, breast stroke, butterfly, or sidestroke). Swimmers who cannot complete the required 25-yard swim are asked to use the Recreational Pool. Please be courteous of other swimmers and choose a lane that best fits your speed. Circle swimming (always swimming on the right side of the lane) is recommended when two or more swimmers are in one lane. Swimmers needing the stairs or lift chair have priority in Lane 1.

OPEN SWIM: During Open Swim in Lap Pool, half of the Lap Pool will be open for recreational swim. The deep end will be marked off with a safety line. Any swimmer under the age of 14 will be asked to complete a swim test to use the deep end of the pool.

SWIM TEST: A swim test is required for any swimmer ages 13 and under or any individual the lifeguard does not feel comfortable with in the lap pool or in the deep end during open swim. Anyone may be asked to pass the swim test if the lifeguard on duty feels it is warranted out of safety concerns.

Swim Test Requirements: The swim test will consist of jumping feet first into the deep end, treading water for 1 minute, and swimming 25 yards using a face in the water/side breathing freestyle technique. If a swimmer needs to stop or grab the lap lanes, they do not pass the swim test and are not allowed in the deep end of the lap pool. Once passed, a wrist band will be given to the swimmer which allows them to swim in the lap pool. On the way out, the swimmer should stop by the Welcome Center to have staff update their account. Welcome Center Staff will give the swimmer a stamp on their hand at all future visits and they will not have to complete the swim test again.

LAP SWIM: All lanes are reserved for lap swim or water walking/personal exercise time. During this time, no basketballs or other throwing toys will be allowed in the Teaching Pool. This is a great time to get some exercise before open swim! *Private swim lessons may occur on Tuesdays/Thursdays 8-10am in the Teaching Pool. Lessons will share space with swimmers/water walkers, and no space will be reserved.

OPEN SWIM: All lane lines are pulled out, and we allow basketballs in the Teaching Pool. Come and have fun shooting hoops!

*Aqua fitness classes: For those looking for a low-impact workout that will exercise both the upper and lower body. Low to moderate intensity. Pre-registration is required as space is limited.

- Parents must accompany non-swimming children and children in flotation devices. If a child has a flotation device on, the child must be within arm's reach.
- Swimmers must be at least 48" to use the Teaching Pool by themselves.
- No kickboards are allowed in the Teaching Pool as they obscure the lifeguard's ability to see the bottom of the pool.
- Mermaid tails or other devices that restrict the free movement of arms or legs are not allowed.
- Be respectful of other swimmers and lifeguards
- Follow lifeguards' directions and instructions
- Anyone who refuses to obey the pool rules is subject to removal from the premises and membership restrictions.

Thank you for helping keep our aquatic center safe!

RIVER WALK: The Lazy River will be turned on with no water features. This time is designed for walking with or against the current, providing a full-body workout with very low impact. No pool toys will be allowed in the Lazy River during this time.

OPEN SWIM: The Lazy River and water features will be on. This is a great time to come have fun in the Lazy River!

PHYSICAL THERAPY: Skagit Regional Health will have exclusive use of the Lazy River to provide aquatic therapy to their patients. If there are no appointments, the Lifeguards may open the Lazy River but may also have to close it on short notice if the next appointment arrives.

- Parents must accompany non-swimming children and children in flotation devices. If a child has a flotation device on, the child must be within arm's reach.
- Swimmers must be at least 48" to use the Lazy River by themselves.
- No jumping into lazy river from deck. Access to lazy river from Beach Area only.
